Downtown Hope

Last month, in collaboration with the C.S. Lewis Institute and others, Downtown Hope had the opportunity to host Frog and Amy Orr-Ewing (International Apologists working with Ravi Zacharias) at the Federal House restaurant in downtown Annapolis. Word of mouth invitations filled the room with many agnostics and atheists who were able to hear intellectual arguments for God from thoughtful believers, some for the first time. It was a powerful evening. Thanks for your prayers BACC!
